Amaravathi City

The Pride of India!

History is repeating itself. Amaravathi is rising on the banks of River Krishna as a Global City, in the modern paradigm, heralding a new era in prosperity. The city will be built in 217 Sq Kms to include a beautiful skyline, with the most thought out, eco-friendly planning to be the address of a dynamic society. The city will be a "Smart City" with state-of-the-art connectivity, smart infrastructure, immense employment opportunities and growth.

Amaravathi has a designated Central Business District, commercial zones and Industrial Parks. It is emerging as a commercial hub of agri-business, logistics, Information Technology Enabled Services and Pharmaceuticals. Built on the threshold of Amaravathi city, Ramakrishna Venuzia will be home to the talented and global residents.

Amidst of these is rising Ramakrishna Venuzia.
Come, stake your claim!

Unfolding Ramakrishna Venuzia

Ramakrishna Venuzia is inspired by Venetian architecture. The most affluent city in medieval times developed a distinct architectural style blending Italian Gothic form with Turkish Byzantine influences and Moorish elements from Spain. It's characterized by ornate decoration, pointed arches and intricate detail. Just like Venice, Amaravathi has sub-tropical climate with canals.

It's Venetian Concept!

At Ramakrishna Venuzia, we re-create the magic of flowing spaces where the interiors blend seamlessly with outdoors. Imagine as much as 86% of the space being left open to welcome life in all its colours. Climate friendly strategies for hot & humid environs have been worked out on the project to give you a kind of life that can be enjoyed in pristine glory. Imagine being welcomed at each step with lush green and dancing water bodies, soothing all your senses for 365 days. It's a vacation that life can offer everyday, each time you open the gates to this beautifully detailed green island tucked in the blue water necklace around it.

It's a classic, and it's yours for the taking.

The Panorama of Ramakrishna Venuzia

The Towering Lifestyle

It is a magnum opus. It's breathtaking. Ramakrishna Venuzia is rising in 40 green acres as an exquisite cluster of 25 towers ranging from 22 to 31 floors. The construction is only 14% of land leaving the rest open to earth and sky. Ramakrishna Venuzia reflects the aspirations of the global citizen and brings it within every home seeker's reach. Standing tall in the scheme of new city, Ramakrishna Venuzia is 'the' address to flaunt. When you've arrived in life, this is your home.
